

# A-List & Creativity Awards 2020

## How to enter the 2020 A-List Awards

Although the instructions along the way are pretty straightforward and will walk you through the process of providing the appropriate information and uploading any necessary supporting material, it's good to know what information you'll need to gather prior to entering.

**Technical specs:** We want you to supply the best of what you have, which is why we don't have any real spec requirements for the files you upload. Please note that our award system requires all direct uploads to be 2gb or less. If your file is larger than 2gb, please supply a link.

Keep in mind that the judges see a lot of work, so you want any videos and/or case studies to be short and sweet. 2-5 minutes is good; anything nearing 10-15 minutes is too long.
