About TikTok

TikTok is the premier global destination for short-form mobile videos—where audiences make every second count.

Our mission is to capture and present the world's creativity, knowledge, and moments that matter—directly from the mobile phone.

TikTok **enables everyone to be a creator**, and encourages users to share their passion and personal creative expression through their videos.

Platform Introduction

Building an experience, 'For You'

TikTok creates a video experience **unique to you**, the consumer.

Powered by ByteDance's Machine Learning technology, TikTok provides personalized video recommendation, all fed by key 1st-party behavioral cues on platform:

Brand Takeover

What is it?

A **Brand Takeover ad** appears upon opening TikTok and it's the first interaction users will have (pre-stitial)

It can 3-5-second long GIF, JPG or Video!

Why this ad format?

Can drive users to click through to an external or internal destination

Category exclusivity – we only allow one advertiser per day

Guaranteed 5,000,000 impressions per day

- **Affordable eCPM**
- **Low cost reach / unique reach**

In-Feed Video

What is it?

5-15 seconds long, full-screen, auto-play, audio-on immersive video experiences

We make these ads appear as native as possible (profile pic, user name, all functions that organic content has, like, share, comments).

Why this ad format?

Can drive users to click through to an external or internal destination

Opportunities for amplification and earned impressions via sharing functions

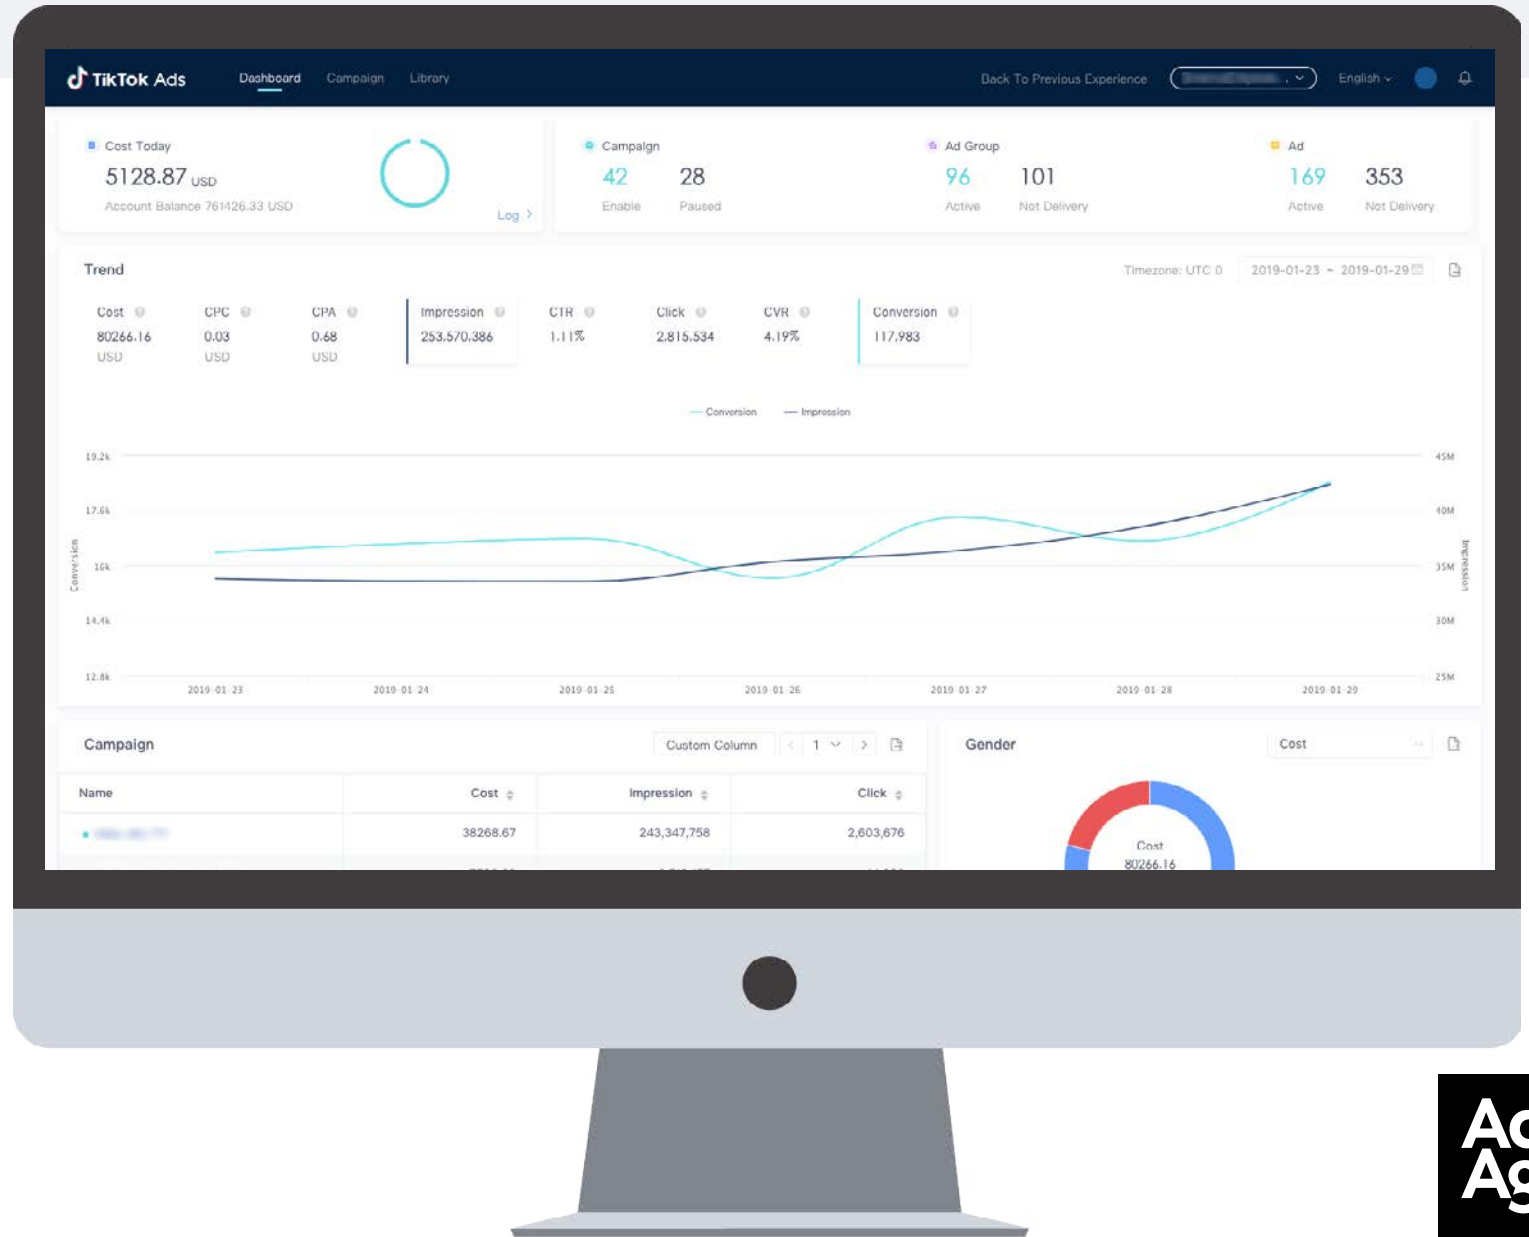

Available in auction ad format

Auction Ad Sneak Peak

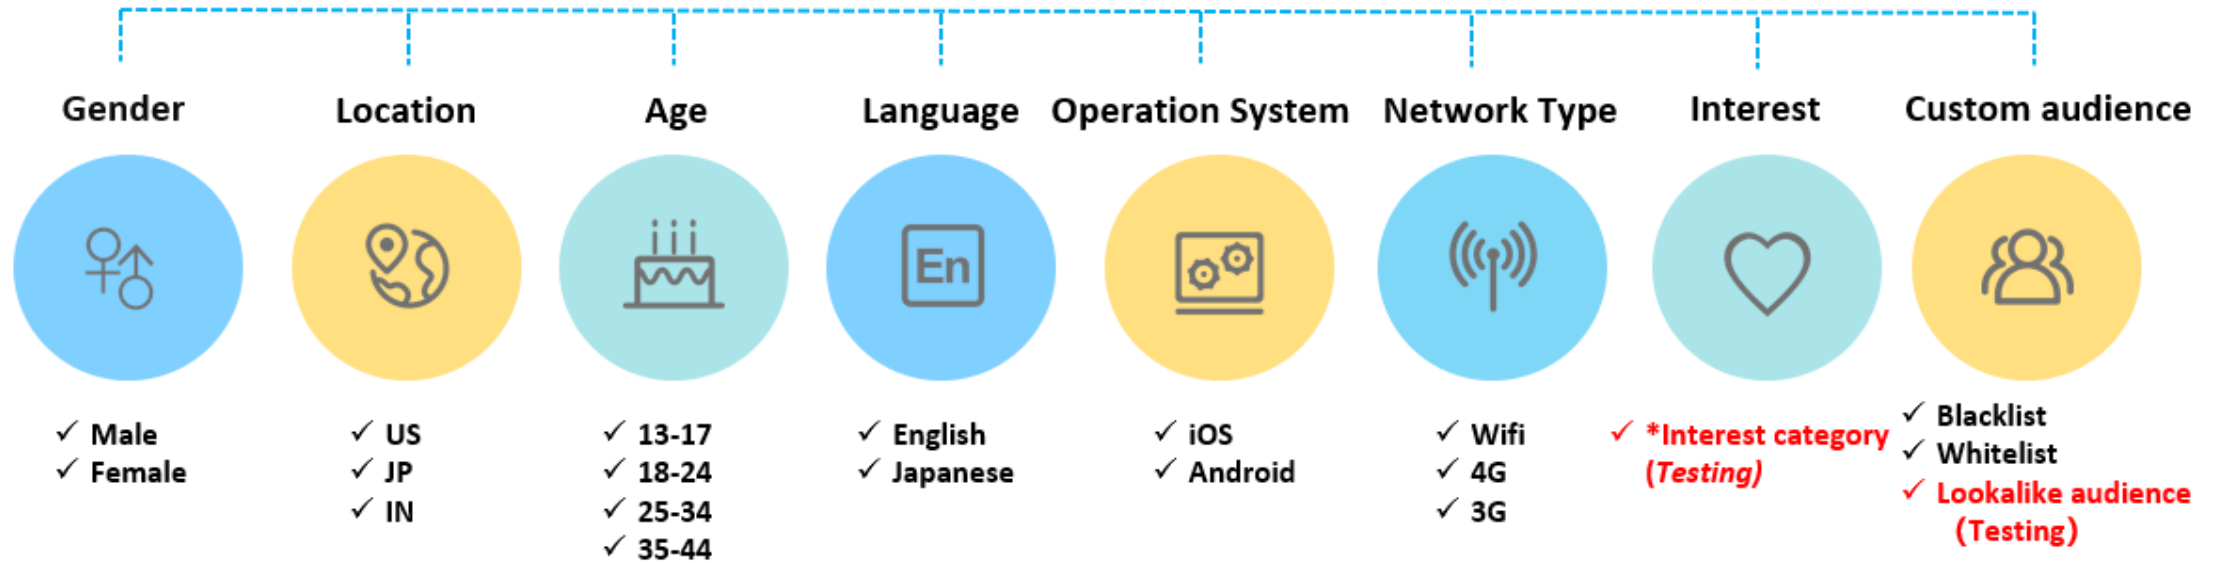

To better connect advertisers to consumers, we're bringing the Auction model to TikTok.

Available for In-Feed Video only

How We Will Track

To enhance how TikTok can track performance & conversions (however those are defined), we apply the following solutions:

TikTok Pixel

- ✓ One-click download
- ✓ Fully connect to Google Tag Manager
- ✓ Pixel Helper: Help advertisers check whether Pixel code is correctly installed on landing pages, to ensure conversions are triggered successfully

Customize rules to define conversion

- ✓ Select conversion elements from the landing page to define rules of clicks
- ✓ Manually add conversion rules of page view/clicks

Performance Tracking

- ✓ Preview Conversions
- ✓ Delivery Conversions
- ✓ Non-related Conversions

Hashtag Challenge

What is it?

Hashtag challenges capitalize on our audience's natural tendency to create and share content

They encourage UGC by asking users to record themselves completing a specific action or following a set of directions to participate in the "challenge"

Why this ad format?

High potential for the baked-in virality features to increase brand awareness and engagement

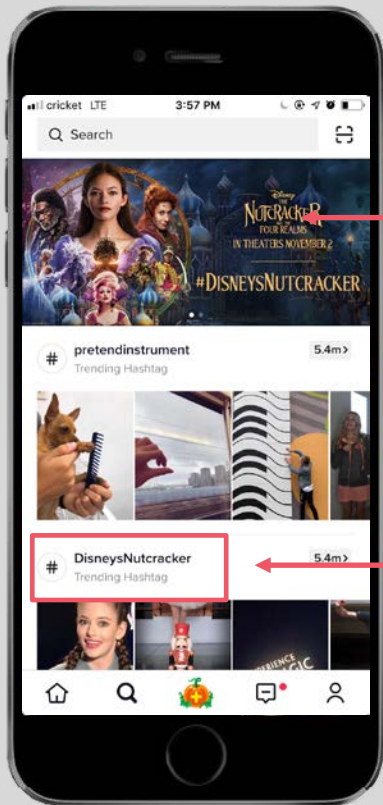

35% of users participate in challenges

16% of all videos on the platform are tied to challenges

Hashtag Challenge Ecosystem

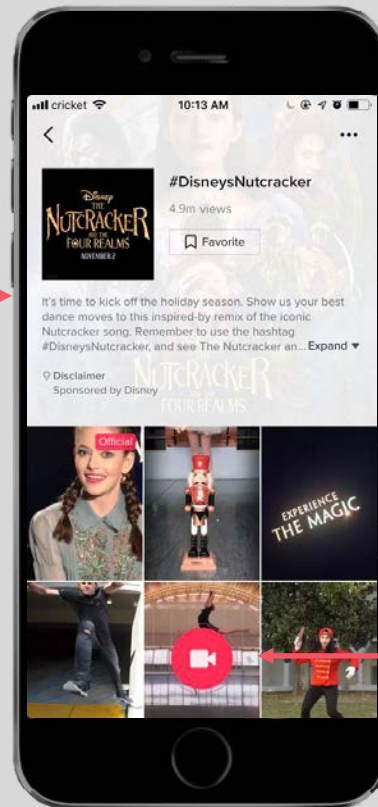

Discover Page

Challenge (part A): Branded banner is featured as No. 1 banner for **first 3 days of the 6-day challenge** package. The banner directs traffic to the challenge page.

Challenge (part B): Sponsored hashtag is displayed as No. 2 hashtag for **first 3 days of the 6-day challenge** package. It directs users to the challenge page.

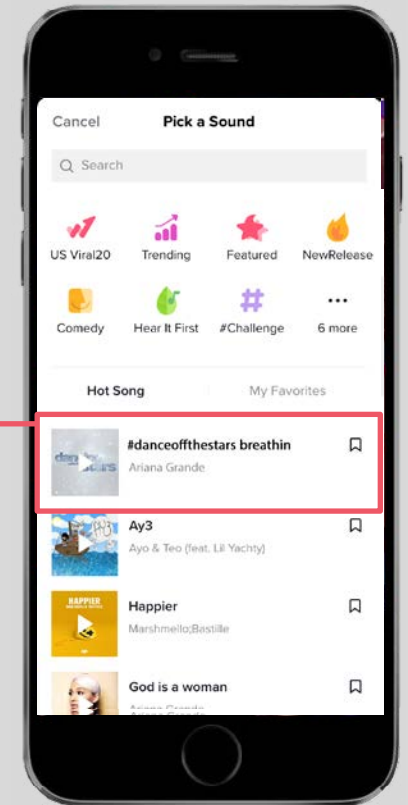

Challenge Page

We can potentially feature a branded song on the music page

Clicking the "record" button can join the challenge and pick a song

Pick a Song Page

Branded Lens

 click to play

What is it?

Produced in-house, we can create 2D & 3D lenses, to radically transform our audience's environment

We'll partner with brands to curate their own experience, granting them a top spot in our 'Trending' tab for 10 days

Why this ad format?

64% of our users have used face filters or lenses

Encourages deeper engagement, with longer time spent, sampling and product discovery.

Pair with a Challenge, to encourage continued use and exposure.

New Ad Unit – Top View

What is it?

- A Brand Takeover ad naturally fades into an In-Feed video ad
- Overall length is within 15 seconds
- Direct traffic to a desired destination

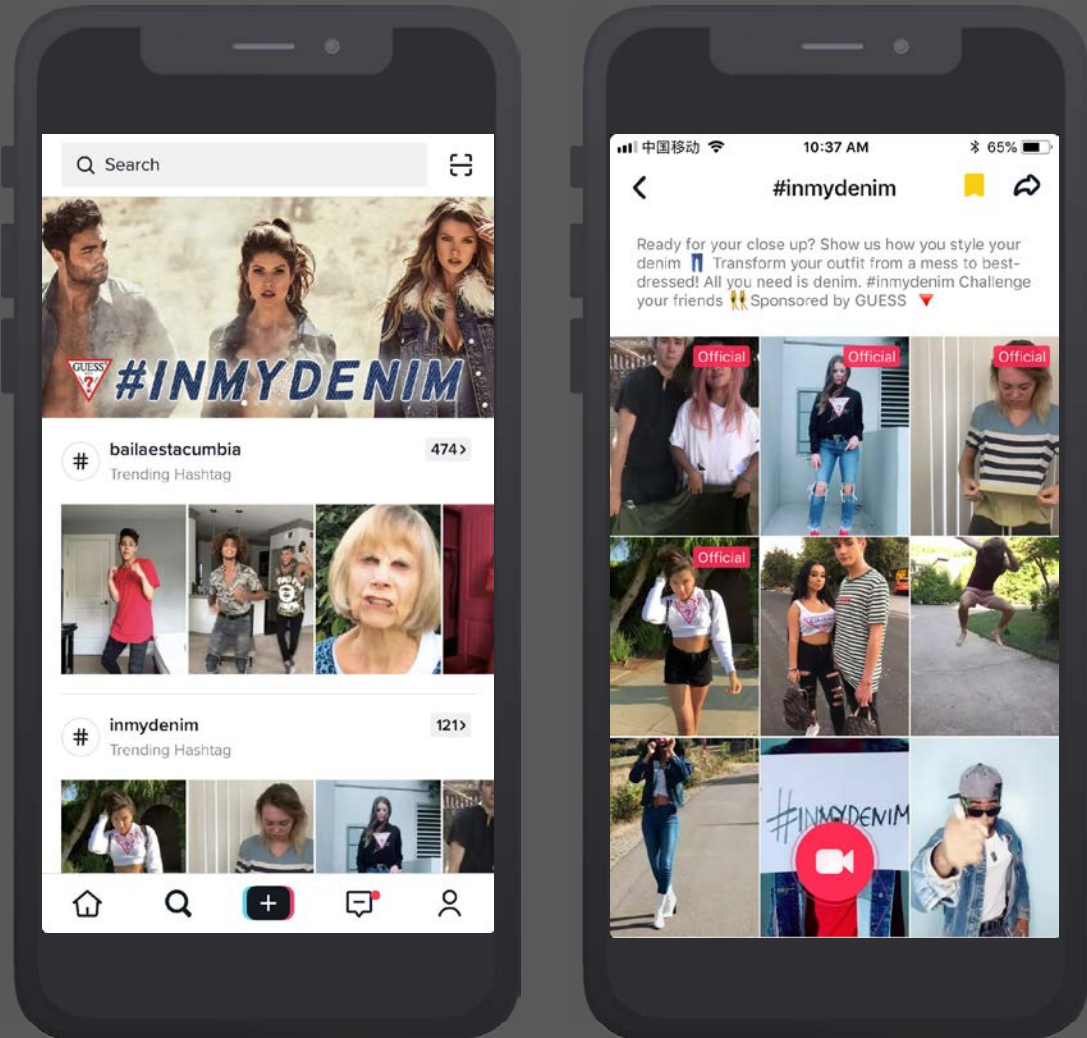

Why this ad format?

- High impact video ad unit, the first thing that users see
- Category exclusivity – we only allow one advertiser per day
- First-to-market opportunity – will come out on TikTok US in May

Case Studies

Guess #inmydenim Hashtag Challenge

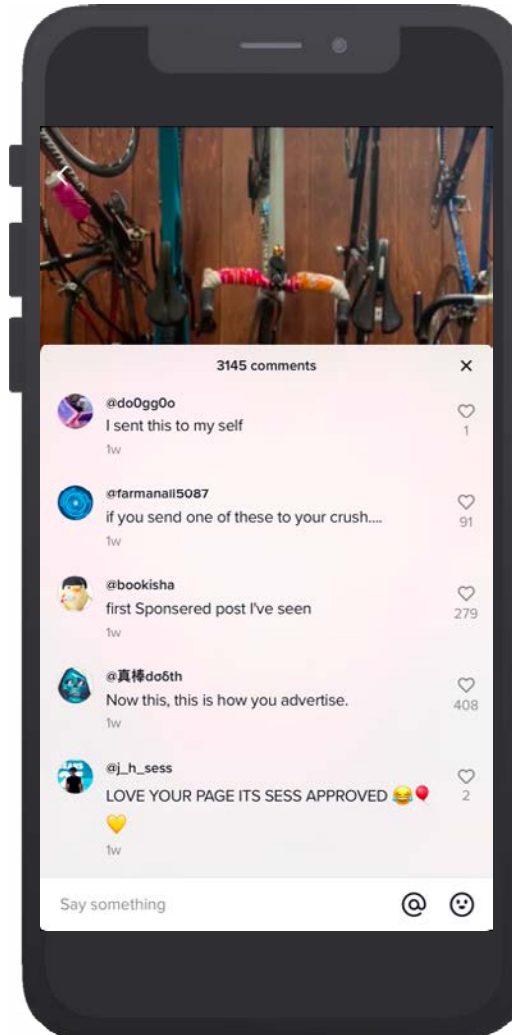

- **Goal:** GUESS sought to embrace TikTok’s younger audience, and use the platform’s native consumer behavior to fuel unique, engaging content and integrated participation across the platform.
- **Execution:** They took advantage of the TikTok Hashtag Challenge to encourage consumers to show how they wear their denim. Additionally, they ran a brand takeover on the first day of the challenge to maximize traffic on the challenge page
- **Result:** The hashtag challenge generated 10.4MM video views and had over 6k participants. #inmydenim was the best-performing hashtag in the US that week, surpassing all organic hashtags

Organic + Advertiser Example - Specialized Bikes

- **Goal:** Specialized Bikes only recently created a profile page and their goal was to increase engagements and followers throughout the next few weeks
- **Execution:** Their content was native to the platform, plus they participated in several organic challenges, such as #someonelikeyou and also used paid promotion to drive traffic to their profile page.
- **Result:** Increased their TikTok fans from **0 to 94k in just one month**

Universal Pictures #FindYourMagic

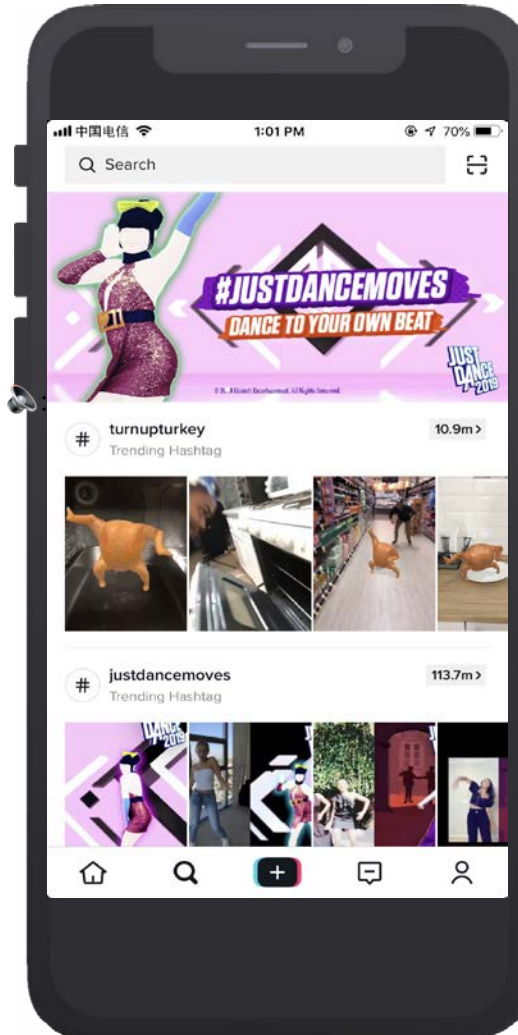

click to play

- **Goal:** Universal Pictures leveraged the Hashtag Challenge format to promote their movie, “A House with a Clock in Its Walls,” where magic was the major theme
- **Execution:** They worked with 10 influencers to create official videos and encourage user participation
- **Result:** Millions of video views and over 20K video submissions throughout the challenge. Drastically outperforming our benchmark of 5,000 pieces of UGC content created!

Ubisoft - Just Dance #JustDanceMoves Hashtag Challenge

- **Goal:** Ubisoft recently debuted #JustDanceMoves – a new Hashtag Challenge, encouraging consumers to “duet” with their ‘Just Dance’ persona to promote the new game launch
- **Execution:** Ubisoft tapped into leading Dance influencers on the platform, and integrated the challenge within TikTok’s ‘Duet’ feature – a very popular native behavior amongst our audience
- **Result:** Within the first 36 hours, the Challenge drove **22.7K video creations** and to date, the challenge has **105K total video creations** and **100M video views**
